

# VOICE COIL ADAPTER

VALCOM

The PagePac® Remote Amplifier Adapter provides a method of extending the speaker coverage of your PagePac paging system, by using an additional AmpliCenter as a remote amplifier at remote or off-site locations.

- REDUCES POTENTIAL NOISE PROBLEMS
- AVOIDS DOWNSTREAM AMP OVERDRIVE BY ENSURING THAT THE INPUT VOLTAGE AND IMPEDANCE MATCH THE DOWNSTREAM AMPLIFIER
- UL/CSA LISTED

Note: the adapter can not be connected to a 70V output.
